INTRODUCTION

Tilton's dress code aims to:

- encourage students to learn that different activities and contexts call for different types of attire.
- offer students the chance to practice dressing appropriately and comfortably.
- ensure that students are dressed appropriately for full participation in classroom, science lab, studio, dining and other activities.
- allow wider choice for students of all genders.
- make the dress code easy to follow and enforce.

At all times:

- Clothing should be neat, clean, and in good condition.
- Clothing should allow for a broad range of activities without exposing underwear and provide full coverage of the torso.
