Covid-19 Response

In accordance with the State of New Hampshire, Tilton returned to in-person learning September 2020. Three courses were offered each day; each course ran for 110 minutes Monday thru Friday. At Thanksgiving, Tilton students returned home and engaged in virtual learning until mid-January when we resumed in-person learning. Tilton School resumed a traditional school year in 2021-2022.

Disciplinary Disclosure Policy

It is Tilton's expectation that a student will answer truthfully when an application asks whether a student has been placed on disciplinary probation and/or suspended at any time during his or her high school career.

Accreditation

Tilton is fully accredited by the New England Association of Colleges and Secondary Schools.

Academic Calendar

Tilton uses a trimester calendar. We do not have official first quarter or midyear grades. Fall Term grades are available after Thanksgiving. Colleges will receive Fall Term grades for all senior applicants and those should be used as a student's "midyear" grades. Second trimester grades will be available mid-March and only sent to institutions where students have not received decisions.

Our Transcript

No Rank, No GPA

Tilton does not rank or calculate students' GPA. We encourage students to focus on learning for learning sake.

The Mastery Approach: Learning in a 21st Century Curriculum

Tilton is a founding member of the Master Transcript Consortium. Tilton has developed a standards-based assessment and reporting system that distinguishes between the students' learning in relation to rigorous academic standards (Academic Achievement Grade) and the students' demonstration of the habits of being a successful learner (Habits of Mind).

Academic Achievement Targets	Habits of Mind Targets
