Tilton is located in a great location for easy access to transportation to and from campus. Concord Coach Bus has a stop right here in Tilton, less than ten minutes from campus. In addition, the main Bus Junction is located in Concord, New Hampshire, just 18 miles south, with lines to Boston and New York and more.

Manchester-Boston Regional Airport is located approximately 40 miles south of Tilton and is New England's most convenient airport, with a growing schedule of non-stop, direct service flights throughout the country. In addition, Logan International Airport is located 96 miles southeast of Tilton in Boston, Massachusetts.

CONTACT INFORMATION & COMMUNICATION

Students are asked to work closely with the Community Life Office to arrange any travel plans. The school uses an online platform for Leave requests called REACH, and all students are taught to use this program during their first week at school. Parents/Guardians are involved in this process as they receive an email requesting approval. All requests to depart campus during the year must be submitted in REACH for approval by Wednesday at 12pm each week for the upcoming weekend. Preference is for these requests to be made 2 weeks in advance.

The primary contact for student Leaves will be the Dorm Heads and Dorm Parents throughout the year. This will include normal weekend Leaves and longer travel leaves surrounding breaks. For all international travel, communication should be sent directly to Mr. Keelan MacKenzie so that we in the Community Life Office can assist and help ensure a smooth arrival to campus. ***If plans change for a student the day of travel (ie: weather or delays), families are asked to include our Administrator on Duty in communication about these changes.***

Keelan MacKenzie, International Leave Coordinator - kmackenzie@tiltonschool.org

David Suarez, Dean of Community Life - dsuarez@tiltonschool.org

Administrator on Duty (AOD) - 603-520-6400 (Phone is operated when school is in session from September 1 to May 25).

Transportation to and from the local Tilton bus junction for Concord Coach is under ten minutes and we drop off to this location for students free of charge with advance planning.

Tilton also offers school transportation to and from Manchester Airport and Concord Bus Junction (for transportation to Boston and other locations) on a limited and set schedule. There is a fee for this service during the year, times and fees are shared below, and we ask that students make requests a minimum of 2 weeks in advance to help ensure availability of a staff driver. Please watch for information prior to each break about scheduling.

- One-Way Campus Shuttle to Manchester Airport: \$75 per student

We are typically able to offer one trip during each of these times, and we try to schedule this at a time that accommodates the greatest number of students. Shuttles typically depart campus at preassigned times and we typically do not offer more than 2 shuttles. The last shuttle does not leave campus later than 5:00pm or before 7:30am.
