Mission & Values

Tilton School challenges students to navigate a world driven by diversity and change. Through the quality of human relationships, Tilton School's community cultivates in its students the curiosity, the skills, the knowledge and understanding, the character, and the integrity requisite for the passionate pursuit of lifelong success and service.

We encourage students to imagine and ultimately to create learning opportunities that require them to fully immerse themselves — body, mind and heart — in the learning process.

Tilton is fully accredited by the Association of Independent Schools in New England.

Academic Calendar

Tilton uses a trimester calendar. We do not have official first quarter or midyear grades. Fall Term grades are available after Thanksgiving. Colleges will receive Fall Term grades for all senior applicants and those should be used as a student's "mid-year" grades. Second trimester grades will be available mid-March and only sent to institutions where students have not received decisions.

Our Transcript

No Rank, No GPA Tilton does not rank or calculate students' GPA. We encourage students to focus on learning for learning sake.

Tilton is school that knows, supports, and challenges students as they learn to do hard things well and go beyond what they thought possible.

Tilton is transitioning away from the Mastery Transcript, moving to a more traditional "A,B,C,D,F" grading system with +/- . This transition will begin with the 2025-2026 school year
